## **THERE'S STILL TIME**

OK, so we have a board of directors. Now all we need are members. All 2021 memberships expire at the stroke of midnight 31 Dec 2021. Good news: the 2022 membership drive is in full swing. Why join? Read on.

First and foremost, paid members qualify Redwood to remain in the building we have occupied for decades. We are very lucky to have a beautiful bridge club in the park. Our facility is owned by the City of San Diego. We are a non-profit, membership driven organization as per our agreement with the City of San Diego. A robust membership is our way of ensuring our facility remains a bridge club for many years to come.

Another reason? DISCOUNTS! Many of you who have been to the club in recent weeks already paid the \$25 membership fee. Best reason to pay BEFORE the stroke of midnight, 31 Dec 2021? Discounted game play at the club from day 1 in 2022.

Redwood MEMBERS pay only \$5 to play in non-sanctioned games on Mondays at 10:30 a.m. or Wednesdays at noon. NON-MEMBERS must fork over \$10 for those very same games. At half the price per game, you will make back your membership fee in no time flat.

Redwood MEMBERS pay \$10 for sanctioned games, while NON-MEMBERS need to shell out 20% more (\$12).

So how do you qualify for these marvelous discounts for a paltry \$25 membership fee? Easy-peasy. Pay by check or cash the next time you are at the club. OR, mail your \$25 to:  
Redwood Bridge Club  
PO BOX 3234

Please include your current email address when submitting your membership fee.

## **TOUGH ACT TO FOLLOW**
