

BRIDGE IN THE PARK

A Newsletter for Redwood Members and Guests

(June 2022)

LONGEST DAY

Daylight hours keep getting longer. That can only mean one thing: it's time for Longest Day. On the Longest Day ACBL clubs around the country host games to support the Alzheimer Association this worthy cause. This year there are many options for Redwood members.

Redwood members who'd like to play bridge to support this cause have two options: online or live in-person games. The ACBL will donate fees collected to the Alzheimer's Association on the following dates:

1. Redwood's regular virtual game played online on Saturday, June 18th.
2. Redwood's live in-person noon game held at our club building on Saturday, June 25th. There will be two sections, one for players ranked 0 – 299, as well as an open section.

Another option is to donate. Anyone wishing to contribute may do so in one of three ways.

1. Click this link:

2. Mail a check made out to Redwood Bridge Club by 26 July 2022 using this address:
Redwood Bridge Club
PO Box 3234
San Diego CA 92163-1234
3. Hand a check made out to Redwood Bridge Club to the game director at the event on 25 June or at any game before 26 July 2022.

LONGEST DAY (continued)

Our club treasurer Glenn Sipes will consolidate and submit all checks as a single donation to the Alzheimer Association.

HELPING HANDS

Can't help noticing that the gardens around our club building are looking lovely. This spring Virginia Wofford and Gayle Tinnerman welcomed Sharon Bell to the club's gardening crew. Thank you, Sharon, for contributing your talent, sweat and love of the gardens.
