

BRIDGE IN THE PARK

A Newsletter for Redwood Members and Guests

(September 2022)

IT'S THAT TIME AGAIN

Yep, it's been a whole year since you last read a call for candidates for the Redwood Bridge Club board of directors. Time flies. December is election time for our club. It may not seem like it, but December will be here before we know it. Finalizing a slate of candidates by the end of October is critical. October is nearly upon us.

Board members serve 2-year terms. 5 of the 9 terms expire this year. Plenty of opportunity for anyone interested in running. Serving on the board entails a monthly meeting (currently held via zoom, so you won't even have to leave home.) Board members also serve in various roles (president, vp, secretary, treasurer) and/or committees (gardening, membership, household, finances, etc.)

Please, please put your name forward if you would be willing to run for the board. Put your ideas and skills into action and throw your hat in the ring.

If this interests you, don't delay. Contact Mary F. Platter-Rieger at mfpjrieger@cox.net by 10 October to become a board candidate.

NEW MASTERS

Congratulations to the following Redwood Members for reaching various ACBL achievement levels in recent months.

Sapphire Life Master (3500 points):
Charlie O'Malley

Silver Life Master (1000 points):
Elizabeth Granby

Bronze Life Master (750 points):
Carole Schreiber

NABC Master (200 points):
Ted Hazard

Club Master (20 points):
John Himmebaugh

Junior Master (5 points):
Kathleen Pons

MUD PIES, ANYONE?

Virginia Wofford, Gayle Tinnerman, and Sharon Bell continue to do a marvelous job keeping the garden looking tip top. They sure could use a hand keeping the garden watered, tho. That's it; no planting, no weeding, no trimming, no fertilizing, no need to have a green thumb. Just give the plants a drink once a week.

The plan is to create a Watering Team of two people, to make this task even easier. Maybe you show up for your weekly game at the club a little early or stay a bit afterwards for a refreshing round with the hose? Or maybe you'd rather don your wellies and stop by at some other time? Your efforts would be a boon to keeping our club building looking its best for all passers-by.

If you do decide to volunteer, get ready to be greatly appreciated by the garden committee and, especially, the thirsty plants. To volunteer, contact Gayle Tinnerman.
