

# BRIDGE IN THE PARK

*A Newsletter for Redwood Members and Guests*

*(September 2021)*

## **TALENT SEARCH**

Are you looking for something to do while the pandemic lingers and limits available pastime options? Want to perform a useful function that will benefit your fellow bridge players?

Here's a thought...how about running for the Redwood Bridge Club board of directors? November is election time for our club. Last year the pandemic forced us to forego elections and extend board members' terms for an additional year.

We'd like to get back on our regular election schedule but can't do that without candidates. We also want to make sure anyone who would like to serve on the board is given that opportunity. Please, please put your name forward if you can help by running for the board. Put your ideas and skills into action and throw your hat in the ring.

Serving on the board entails a monthly meeting (currently held via zoom, so you won't even have to leave home.) Board members also serve in various roles (president, vp, secretary, treasurer) and/or committees (gardening, membership, household, etc.)

If this interests you, don't delay. Contact Jan Perdue at [janet91902@gmail.com](mailto:janet91902@gmail.com) or Mary F. Platter-Rieger at [mfpjrieger@cox.net](mailto:mfpjrieger@cox.net) by 30 September to become a board candidate.

## **NEW MASTERS**

Congratulations to the following Redwood Members for reaching various ACBL achievement levels in recent months.

Diamond Life Master (5000 points):

Roger Zellmer

Gold Life Master (2500 points): John Evans

Silver Life Master (1000 points): David Hawkins,

Mary Lisecki, Rose Mary Johnston, Dilma  
Morello, Karen Kukuk, John Rieger, Chris Zafis

Club Master (20 points): Richard Palmer,  
Karen Weymann

## **EXOTIC**

Mary Scott Knoll and William Doerrer donated a Pachypodium for our garden. This is an exotic succulent with leaves like a plumeria and small white flowers. We are fortunate to have this stellar plant for our garden.
